

Official Logo for Chi Nei Tsang Practitioners®

Dear CNT Practitioner,

Congratulations on your certification!

Below is the official logo of the Chi Nei Tsang® Branch as taught by Grand Master Mantak Chia, founder of the Universal Healing Tao System.

This logo is reserved for certified people and listed in the official directory of Chi Nei Tsang® practitioners according to Mantak Chia. You can now freely use this logo in your advertising material (website, business cards etc ...). We even encourage you to do it as a mark of authenticity of your training.

Let us remind you that you signed a document acknowledging that Chi Nei Tsang® was a registered trademark. So thank you for using as much as possible the sign® that will allow you to distinguish yourself from people who are not officially certified.

We wish you joy and success in your Chi Nei Tsang practice®
