### Rentao

As a former professional athlete and sports teacher, I was looking for training methods that work from the inside out instead of from the outside in. I found the answers in UNIVERSAL HEALING TAO (UHT) and became a student, assistant and senior instructor of Grand Master Mantak Chia - founder of the UHT system. I ran a Taoist health centre in the Swiss Alps for over 12 years and have been teaching all over the world for more than 30 years. In 2008/2012 I organised the first European UHT Instructor Conferences with over 250 instructors from 27 countries. As a coach, I share my health prevention concepts **flowjoy©** and **4-Dimensional Health (4-DH©)**, as well as practical exercises that enable every human being to live in flow, joy and love in 24-hour everyday life.
